Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative presented arguments that claim 1 is allowable over the teachings of the prior art for at least reasons indicated in the teachings of paragraphs 6 and 7 of applicant's disclosure. Examiner acknowledged if the claims were amended to include teachings from applicant's disclosure to help further define the claims, the claims would possibly distinguish from the teachings of the prior art. Examiner advised that such amendments would require further search and/or consideration however..
